OSHA Compliance: OSHA Training for Dental Professionals

Limited to 25 Attendees

This introductory OSHA training program guides staff through OSHA regulations and steps for compliance and may be used for new employees as the first session on OSHA compliance and/or current staff who have not received basic training. It covers the Bloodborne Pathogens Standard which includes exposure, control plan, personal protective equipment, HBV, HIV, post-exposure evaluation and follow up as well as the Hazard Communication Standard, which includes Material Safety Data Sheets and hazardous chemicals. Information for the dentist or compliance manager including study materials, checklists, and a quiz will be provided.

Dates & Times: Friday, September 29, 2017 9:00 a.m.-12:00 p.m.

Fees: \$50 – Member and Member Staff
\$70 – Non-Member and Non-Member Staff

Location: Greater Houston Dental Society
One Greenway Plaza, Suite 110
Houston, TX 77046

Parking: Parking is complimentary with ticket validation inside the Greater Houston Dental Society office.

REGISTRATION

Payment is required with registration; otherwise, the reservation is not guaranteed. Each course is limited to 25 attendees, and participants will receive a letter certifying attendance at the conclusion of the course. If the class you have selected is full, you will be notified so that you may select another class or cancel your registration without charge or penalty. If you cancel for any other reason and request a refund, a 25% administrative fee will be applied to the refund.
