**STAR OPPORTUNITIES**

# 2025 GHDS ★ Partner Opportunities

Each year, the Greater Houston Dental Society hosts a variety of well received programs, activities, and events providing professional development and educational opportunities for the dental community.

As a GHDS Partner, your support not only helps us enhance our programs and activities, but it provides you with the opportunity to enhance your company's awareness by showcasing your products and services to our members. You can choose to support one or all STAR opportunities listed below.

All Partners will receive recognition on the GHDS website, event marketing, on-site signage, recognition at event, table or shared space to display company information, attendee list, and most important: the opportunity to network with local dentists. Additional benefits based on level of sponsorship.
